

Simple Ways to Give

- Ask your company if they match your charitable contributions or donate to organizations where employees volunteer. In 2011, volunteers helped to direct matching grants totaling \$3,055 from Northwestern Mutual, Kohls, and GE because employees of those companies volunteer for one of our programs.
- Many of our volunteers and clients suggest to their family members that in lieu of a Christmas, anniversary, or birthday present they would appreciate a donation to support our programs. Our staff will provide a special card to give to the recipient, detailing how the gift will support a specific program. (And, it's tax deductible.)

Build a Legacy

Remember Interfaith in your will, or as a beneficiary of your life insurance or retirement benefits. These gifts are invested in accounts held at the Greater Milwaukee Foundation and the Waukesha County Community Foundation. Once the accounts reach a high enough level, proceeds will help to support neighbors for years to come.
