Faith In Action *Youth and Family Opportunities*

Yard Clean-Up, May and November

Small adult and youth groups, families and individuals are needed in May and November to prepare homes for the upcoming summer and winter seasons. Volunteers will rake leaves, wash outdoor windows, clean gutters, install storm windows or screens, trim bushes, and clean flower beds for local seniors and adults with disabilities. Choose a date that works for you.

Birthday Cards

Help make birthdays special for clients and volunteers every year! Interfaith Senior Programs will provide you with cards with pre-printed information on the back. We need your help to create a colorful front. Cards are needed year round for over 2,000 clients and volunteers.

Lawn Mowing and Snow Removal

Small adult and youth groups, families and individuals are needed during the summer and winter to help with lawn mowing and snow removal. Adopt a home for the season or fill in as a sub for when volunteers are away. Volunteers can coordinate their own schedules.

Holiday Giving Envelopes for Seniors

Help brighten the holidays of 400 low-income, isolated seniors and adults with disabilities this December by holding a donation drive to collect gift cards and stamps.

Volunteers are needed to create small ornaments (that would fit in an envelope) and decorate holiday cards.
